

Inspect and Adapt

Muhannad Sinan

Scrum has 5 events – Sprint, Sprint Planning, Daily Scrum, Sprint Review, Sprint Retrospective.

Each event gives us a chance to inspect and adapt. Based on your understanding, complete this table below.

Events	Inspect	Adapt	Timebox
Sprint Planning	<ul style="list-style-type: none">Product Backlog	<ul style="list-style-type: none">Sprint GoalForecastSprint Backlog	8 hr
Daily Scrum	<ul style="list-style-type: none">Progress toward Sprint Goal	<ul style="list-style-type: none">Sprint Backlog	15 min
Sprint Review	<ul style="list-style-type: none">IncrementSprintProduct Backlog	<ul style="list-style-type: none">Product Backlog	4 hr
Sprint Retrospective	<ul style="list-style-type: none">Sprint	<ul style="list-style-type: none">Actionable and committed improvements	3 hr
